## Cord Keepers

As low as \$0.96

The Cord Caddy / Keychain **CCK05** helps keep your ear buds or USB cords conveniently organized and in close range with Laminet Line's caddy / keychain. Your accessory wraps conveniently around our rigid plastic holder. Our caddy holds standard ear buds or a USB cord. Uniquely designed caddy doubles as a keychain and the imprint is still visible when a cord is secured on our caddy. The Cord Gripper **CG02** keeps USB and other cords from falling to the floor once unplugged from the device or laptop. Our cord gripper comes with adhesive backed material that leaves no residue when removed and securely holds cords in place to any clean, dry non-wood surface. Simply insert cord through both ends of the strip and attach. The CG02 is sold in sets of 2 as one unit. Our Cord Keepers are constructed of Patent vinyl material that shows off a great imprint and will always be seen.

## Face Shields

As low as \$5.40

Experts say face shields are more effective than masks in protecting the wearer from viral infection. Our EMS17 Face Shields are durable, hygienic, and comfortable. Easy to disinfect—the removable foam headpiece and plastic shield can be taken apart and cleaned separately. Includes adjustable Velcro™ head strap to fit most head sizes.

Unlike a face mask alone, EMS prevents face touching and covers the entire face including the eyes and nose. Plastic material is crystal clear and impenetrable to droplets and liquids. Easily fit glasses, goggles and mask underneath the shield. Made in the USA using comfortable, lightweight materials.

Pricing includes a 1-color centered imprint. Imprint area is 1.25" Hx4" W
